**Supplemental Submission in Support of Petition to Revive Unintentionally Abandoned  
Patent Application**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

On March 2, 2004 we filed a Petition to Revive an Unintentionally Abandoned Patent Application along with a supporting statement, fee of \$665.00 and documents associated with the response to File Missing Parts. At the time the Petition was filed the application was abandoned, as a matter of law, for failure to respond to a "Notice to File Missing Parts" mailed on August 3, 2001. As of the filing of the Petition to Revive Unintentionally Abandoned Patent Application, Morgan & Finnegan had not yet received a Notice of Abandonment in this case. Morgan & Finnegan has now received the Notice of Abandonment mailed June 2, 2004 and we note that a

copy of this Notice must accompany the Petition to Revive. Therefore, as required, a copy of the Notice of Abandonment dated June 2, 2004 is enclosed, along with a courtesy copy of the petition papers originally filed on March 2, 2004. Timely consideration of our Petition is requested.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.

**Statement in Support of Petition to Revive Unintentionally Abandoned Patent Application**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

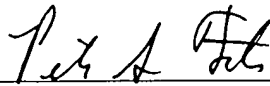

Sir:

The patent application 09/870,128, "Method for Separating Nucleic Acids into Populations" was filed as a US National Phase application on May 30, 2001 by the firm of Schwegman, Lundberg, Woessner & Kluth. The case was transferred from Schwegman to Morgan & Finnegan, L.L.P.. Morgan & Finnegan accepted the case on July 6, 2001.

On December 15, 2003 we received a "Notice of Acceptance of Power of Attorney" and noted that this Notice was received 16 months after filing of the Revocation and New Power of Attorney. We also noted that it had been 31 months since the case had been filed and we had not yet received a first Office Action. As part of our efforts to determine the status of the application, our Washington D.C. office copied the file on January 26, 2004. It was at this time that we first discovered that a "Notice to File Missing Parts" had been issued by the Patent Office on August 3, 2001 and sent to the firm of Schwegman, Lundberg, Woessner & Kluth. This Notice was never forwarded to Morgan & Finnegan and we did not become aware of this Notice until January 26, 2004. It was also noted that a Notice of Abandonment was not in the file nor, to date, has Morgan & Finnegan received a Notice of Abandonment. Therefore, the entire delay in filing the response to the Notice of Missing Parts was unintentional.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
